PROFESSIONAL SUMMARY

Creative and empathy-driven Senior UX/UI Designer with 8 years of experience crafting intuitive digital products for web and mobile. Expert in design thinking, user research, and rapid prototyping. Delivered award-winning interfaces for global brands in e-commerce, fintech, and edtech.

WORK EXPERIENCE

Senior UX/UI Designer — Shopify (Remote)

Jan 2021 – Present

- Led end-to-end UX redesign of the merchant analytics dashboard, improving task completion rate by 28%.
- Conducted 60+ user interviews, usability tests, and A/B tests to inform design decisions.
- Created and maintained a Design System used by 30+ product teams globally.
- Collaborated with engineers and PMs in agile sprints, delivering pixel-perfect Figma specs.

UX Designer — Fenergo (Dublin)

Aug 2017 – Dec 2020

- Redesigned a complex onboarding workflow for B2B financial compliance software, cutting completion time by 40%.
- Produced wireframes, interactive prototypes, and user journey maps for iOS and web platforms.
- Facilitated design sprints and stakeholder co-creation workshops.

Junior UI Designer — Digital Agency X, Limerick

Jun 2015 – Jul 2017

- Designed responsive websites and mobile apps for 20+ SME clients.
- Created brand identities, iconography, and illustration assets.
