PROFESSIONAL PROFILE

Results-driven Senior Project Manager with 10+ years of experience leading cross-functional teams to deliver complex technology and business transformation programmes on time and within budget. PMP and PRINCE2 certified. Strong stakeholder management and Agile/Scrum expertise.

WORK EXPERIENCE

Senior Project Manager — TechCorp Ireland Ltd

Jan 2019 – Present

- Led a €4M ERP migration programme spanning 12 departments and 200+ users, delivered on schedule.
- Managed a portfolio of 8 concurrent projects using Agile and Waterfall methodologies.
- Reduced project delivery time by 22% through process optimisation and improved sprint planning.
- Chaired weekly steering committee meetings with C-suite stakeholders and external vendors.

Project Manager — GlobalConsult Dublin

Mar 2015 – Dec 2018

- Delivered 15+ client-facing digital transformation projects across financial services and retail sectors.
- Managed risk registers, RAID logs, and change control processes for programmes valued at up to €2M.
- Mentored a team of 4 junior PMs and introduced a standardised project reporting framework.

Project Coordinator — Innovate Solutions

Jun 2012 – Feb 2015

- Coordinated project schedules, resource allocation, and vendor communications.
- Assisted in the deployment of a nationwide CRM rollout serving 50,000 end-users.
